PRINCIPAL'S MESSAGE

This week, due a short week our newsletter will be fairly brief. A reminder that in our campus newsletters there were a number of updates around our planned activities and how they could be potentially affected by the recent lockdowns.

Early next term we have our scheduled parent teacher interviews. Please see below the details of how parents sign up for an interview with their child's classroom teacher.

TERM 3 SWIMMING PROGRAM

In last week's newsletter, we included information about the upcoming swimming program. So far, the returned forms have been disappointing over our 4 sites. All schools are required to run a swimming program and with the current returned forms, this is going to be very difficult for us to manage.

The cost of this program is \$45 per student and is a great opportunity for your child to be involved. We are fortunate that we can offer this at a discounted rate this year, so it would be great to see as many families as possible taking advantage of this. Forms were distributed to students last week and are due back by *Tuesday 22nd June*.

The \$28.00 credit has been applied to accounts today for those students who were participating in the Winter Sports program. This credit can be used towards the swimming payment if you wish. If eligible families have any CSEF credit on their accounts this can also be allocated to swimming. If you are unsure of your account balance please ring Sharon at Smythesdale on 5342 8565.
